### **DETAILED ACTION**

This Office Action is in response to the Amendment filed on 1/27/05.

Claims 16-20 are cancelled by the Amendment filed on 1/27/05.

#### ***Information Disclosure Statement***

The information disclosure statement is being considered by the examiner.

#### ***Oath/Declaration***

Oath/Declaration filed on 12/6/00 is accepted.

#### ***Drawings***

New corrected drawings in compliance with 37 CFR 1.121(d) are required in this application because the application was allowed. Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.

#### ***Claim Rejections - 35 USC § 102***

Claims amended overcome rejections. Rejections withdrawn.

#### ***Allowable Subject Matter***

Claims 1-15 are allowable over the prior art of record.

The following is an examiner's statement of reasons for allowance: Prior art does not disclose or suggest a method for probing a semiconductor wafer, which includes the step of:

-Retaining the wafer in a recess of the probe fixture in a position in which the front side of the wafer is initially facing up, by applying one of reduced pressure or vacuum to the wafer, in combination with the other limitations (cls. 1 & 5).

-Extending a rail across and above the wafer retained in the probe fixture, and supporting the entire probe from the rail above the wafer when the probe tip extends into contact with a contact surface of the IC, in combination with the other limitations (cl.11)

The above limitations for claims 1,5 & 11 are neither anticipated nor rendered obvious over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
